

POSTER MAGIC PROTECTION

£13.50 + VAT PER LITRE

DESCRIPTION:

Poster Magic Protection is a clear matt or gloss version of Graffiti Magic, previously called 'box coat'. This unique one-pack coating gives effective protection against both fly-posting and graffiti, and offers protection warranted for 10 years. We now have items that have been protected for over 14 years.

Poster Magic is a permanent **not** sacrificial system. It allows for repeated, easy removal of any graffiti and fly posting.

Posters will not adhere to surfaces coated with Poster Magic. Once dry they will fall off or can easily be peeled off by hand. No scrapers, solvents or water are needed.

USES:

Poster Magic Protection is specially designed for application onto items of street furniture (eg. traffic light control boxes, telephone, cable and electricity junction boxes, CCTV and street lighting columns).

Poster Magic Protection is a unique one-pack coating that gives effective protection against both fly-posting and graffiti.

Coverage: 8 square metres per litre. Two coats required.

With 2 coats applied coverage cost works out at £3.37 per square metre plus VAT.
