

SHADOW LIFTER

£8.00 + VAT PER LITRE

DESCRIPTION:

A specially formulated, amber coloured liquid alkaline cleaner.

Removes stubborn graffiti shadows from brickwork, stone and concrete.

Easily removed with just water.

COVERAGE:

Should be applied at 5 square metres per litre giving a working cost of £1.60 per square metre.

SHELF LIFE:

12 months (in original sealed container).

APPLICATION:

Apply undiluted GM Shadow Lifter with a bristle brush to the affected area starting at the bottom edge and working upwards. Allow to penetrate for a few minutes then power wash away with hot/cold water.
